**F.W. Farrar**

"In these paragraphs, then, we have SIXTEEN hints as to who and what is intended by Apocalyptic Wild Beast, and it is undeniable that every one of these directly points to Rome and Nero. They point so directly to Rome and Nero that it is difficult to conceive how the writer could have expressed his meaning less enigmatically, if he adopted at all that well-understood literary method of Jewish Apocalypses ..."

*The Early Days of Christianity, 467*
